

Wastewatchers Kids' Holiday Club, Wadebridge 2012

Over 40 local children had great fun at the Wastewatchers Kids' Holiday Club during autumn half term.

They enjoyed three action-packed mornings at St Breock School, Wadebridge, where the hall was transformed into Percy's Park for the week.

Each morning the children took part in warm-up exercises led by runners in the park, watched Percy the Park Keeper perform a drama and listened to a Bible story as well as playing games, singing songs and taking part in craft activities.

The Wastewatchers theme was transformation, and the children created some amazing junk models and musical instruments, inspired by recycling things they discovered in the Wastewatchers Scrap Store.

The children also made beautiful candle holders, decorated glasses and bookmarks, played games and groaned at the Bin Men's terrible jokes.

At the end of the week the children celebrated the second birthday of the holiday club and were all given children's New Testaments so that they can read the stories they'd heard during the week for themselves.

Co-Leaders of the holiday Club, Rev. Dom Whitting and Carol Holmes said "Everyone had a wonderful time at Wastewatchers, and we've already started to think about next year."

This is the second year that Churches Together in Wadebridge have run a kids' holiday club. Wastewatchers was run by a team of dedicated volunteers from the local churches and funded by donations from local churches and grants, including a grant from Wadebridge Town Council. The team all thoroughly enjoyed themselves!

Wastewatchers was led by Rev Dom Whitting (Assistant Curate - The Parish of St Breoke and Egloshayle in Wadebridge) and Carol Holmes (Community Action Team Co-ordinator at Wadebridge Christian Centre), with support from Pauline Burdett (Scripture Union Development Worker - Church & Community).
